

## DM2006 Narratives for Interaction

# SUBMISSION REQUIREMENTS

Each of you will prepare an individual submission portfolio and send it via [wettransfer.com](http://wettransfer.com) to [dejan.grba@ntu.edu.sg](mailto:dejan.grba@ntu.edu.sg).

**Deadline: Friday 26 April 12PM.**

ZIP archive should contain the files organized in the Submission Folder Template I have sent you.

This is what you should include in your submission portfolio:

1. Your name and project title (in the main folder name, in the written project description, in the class reflection, and – optionally – in the reference list).
2. Video documentation of the process and of the final project – 1 HD video file, up to 5 minutes, MP4 file/container, compression h264. (For team projects this can be the same for every team member.)
3. Photo/Image documentation of the process and of the final project – 5-10 JPEG files 1920x1080px minimum, titled 001.jpg to nnn.jpg. Include screenshots of the final project if it is screen-based. (For team projects this can be the same for every team member.)
4. Written project description – up to 500 words body text. It should include:
  - a. Abstract: brief project description
  - b. Idea/Concept (include your motivation, reasoning and references)
  - c. Process and technical solution(s) you applied
  - d. Strong and weak aspects of the realized project
  - e. Potentials for further development.

(a. to e. can be the same for every team member in team projects.)

  - f. Grade yourself with 1-10 score
  - g. Grade your teammate(s) with 1-10 score. (For team projects.)
5. Written reflection on what you have learned in the class – up to 500 words body text.

If you want you can also include a Reference list with the texts/titles/artworks, etc. for your project, weather we discussed in the class or not. This is not mandatory!
