SHOWCASING

Wednesday 20 November <u>9AM</u>-12PM

ART 1-11

Prep

Make sure that your presentation and installation work as intended BEFOREHAND (Mon/Tue at the latest).

Get Access to ART 1-11, Set Up, Test, Test, Test,...

Take care of installation logistics: disposition of all installation elements, e.g. tables, panels, chairs, cables, boxes, etc.

For complex interactions: ask friends to rehearse and do the demos <u>and</u> be ready to demo yourselves in case they do not show up.

Invite friends to join us and see your works.

Timeframe

Up to 30 minutes per team – this will be timed:

5 min Setup

15 min Showcasing

10 min Q&A and Comments

Showcasing (15 minutes slot)

You can:

Make the short intro overview with slide projection (5 min) + Demo/Tryout by the audience (10 min)

OR

Do the shorth intro overview verbally (5 min) + Demo/Tryout by the audience (10 min)

The two teams working with mobile devices should hook them up to the projection system.

At least one team member should photo/video document showcasing of their team.

You can edit this material and include it in the submission package.

Teams Order

1. Amanda, Peisen, David

2. Charmaine, Yee Teng, Shin Yi

3. Sijia, Syadza, Mindy, Hayeong

4. Praveen, Jessical, Rui Hong

5. Desiree, Amanda, Gwendolyn

6. Eugene, Ashley, Manwei, Yixue

Post

Allocate time after showcasing to reset the space and clean up.

Edit the showcasing documentation and include in the submission package.
