## PACKAGE CONSTRUCTION

The construction of our care packages will take place at the Kreta Ayer Multipurpose Hall. Prepare your hands and your hearts as we will be doing more than just folding – come also with a message in mind to write to your 'soon to be' friend.

## PACKAGE DISTRIBUTION

Our friends from Homeless Hearts will take it from here. Splitting into smaller groups, we will become befrienders of the homeless by visiting their key frequented areas. We encourage our befrienders to be open to form new and sincere friendships.

SHARE YOUR CARE.

WITH LOVE IN EVERY FOLD,
