

MORE THAN[®] JUST A FOLD

The Care Project

by Singaporeans, for Singaporeans

It is our great joy that we can share with you one of our care package made with love in every fold. Each package is handcrafted by our lovely volunteers and the contents within are specially chosen and selected by the person whom you've just spoken to.

MORE THAN JUST A FOLD, is an outreach effort by The Care Project in Singapore. Thank you for giving us the opportunity to have a chat with you, we would love to assist you (should there be a need) with more than just a care package.
