

OSS Quick Guide: Overview of the Class Site

In this guide, you will learn how to access the class site

The image illustrates the steps to access a student's site. It shows a sidebar with student profiles (Bridget Mercik, Hannah Lerner, Frank Huang), a 'Recent Posts' section with a 'Final Project Conclusion: Full Circle' post, and a full post titled 'New Project Hyperessay 1: Do we pay attention to advertisements these days?'. A central diagram shows 'SWAPPIE REPOSITORY' and 'VIDEO SELFIE' leading to 'GLITCHED'.

1 On each **CLASS SITE**, the left sidebar lists all enrolled students in the course.

2 Click on the **NAME** of the student you want to access his/her site.

3 The middle panel displays all the recent posting from the students in chronological order.

4 On each posting, click on the **TITLE** of the post or the **FEATURE IMAGES** to access your student's full posting.
