

FYP Proposals

Lunchbox rental service

- Lunch box with specific QR code etched on the cover
- Can use up to 5 lunch boxes per session but must return all the lunch boxes to rent for the next session.
- Cleaning of the lunchboxes will be provided by the machine itself
- Start small in school (using metric card)
- Aim: to reduce use of one time usage lunch boxes.

Puzzle game

- Mystery of the missing paintings(continuation of meese game but resembling more of a mystery escape room type than a throwing stars game)
- Learn about art history
- 5 min mark
- Using physical objects to interact to solve the puzzle
